

# WHIP TOPPING *Base*

## Delicious, adaptable & Dairy Free!

Suitable for  Vegans

Rich's Whip Topping Base™ is a vegan topping concentrate, blending easily with fresh fruit, chocolate compotes and compounds, offers a variety of ways to add value to your dairy free desserts and beverages.

Liquid product arrives frozen and can be stored for 18 months

Reduces saturated fats in dessert offerings when compared to dairy alternatives.

With superior stability once whipped, product can be stored chilled for up to 3 days or frozen for 180 days.

Exceptional versatility when whipped with acidic fruits, flavours and colours without curdling or fear of overwhipping.

High over run of 300% resulting in pronounced stability with no need for stabilisers.

Great economy. Dilute Whip Topping™ Base, a 2:1 or 3:1 ratio achieving products with different textures and mouth feel.

GMO and HVO Free.

The reduction of syneresis, resulting in minimal moisture migration, giving a superior glossy finished product with greater shelf life.
